Music genre

Not to be confused with Pop Rocks

Pop rock (also typeset as pop/rock[4]) is a fusion genre characterized by a strong commercial appeal,[5] with more emphasis on professional songwriting and recording craft, and less emphasis on attitude than standard rock music.[6][7][1] Originating in the late 1950s as an alternative to normal rock and roll, early pop rock was influenced by the beat, arrangements, and original style of rock and roll (and sometimes doo-wop).[1] It may be viewed as a distinct genre field rather than music that overlaps with pop and rock.[4] The detractors of pop rock often deride it as a slick, commercial product and less authentic than rock music.[8]

Characteristics and etymology [edit]

Much pop and rock music has been very similar in sound, instrumentation and even lyrical content. The terms "pop rock" and "power pop" have been used to describe more commercially successful music that uses elements from, or the form of, rock music.[9] Writer Johan Fornas views pop/rock as "one single, continuous genre field", rather than distinct categories.[4] To the authors Larry Starr and Christopher Waterman, it is defined as an "upbeat variety of rock music" represented by artists and bands such as: Andy Kim, the Bells, Paul McCartney, Lighthouse, and Peter Frampton.[10]

The term pop has been used since the early forties to refer to popular music in general, but from the mid-1950s it began to be used for a distinct genre, aimed at a youth market, often characterized as a softer alternative to rock and roll.[11][1] In the aftermath of the British Invasion, from about 1967, it was increasingly used in opposition to the term rock, to describe a form that was more commercial, ephemeral and accessible.[12]

As of the 2010s, "guitar pop rock" and "indie rock" are roughly synonymous terms.[13] "Jangle" is a noun-adjective that music critics often use in reference to guitar pop with a bright mood.[14]

Debates [edit]

Critic Philip Auslander argues that the distinction between pop and rock is more pronounced in the US than in the UK. He claims that in the US, pop has roots in white crooners such as Perry Como, whereas rock is rooted in African-American music influenced by forms such as rock and roll. Auslander points out that the concept of pop rock, which blends pop and rock, is at odds with the typical conception of pop and rock as opposites. Auslander and several other scholars, such as Simon Frith and Grossberg, argue that pop music is often depicted as an inauthentic, cynical, "slickly commercial", and formulaic form of entertainment. In contrast, rock music is often heralded as an authentic, sincere, and anti-commercial form of music, which emphasizes

songwriting by the singers and bands, instrumental virtuosity, and a "real connection with the audience".[15]

Frith's analysis of the history of popular music from the 1950s to the 1980s has been criticized by B. J. Moore-Gilbert, who argues that Frith and other scholars have overemphasized the role of rock in the history of popular music by naming every new genre using the "rock" suffix. Thus, when a folk-oriented style of music developed in the 1960s, Frith termed it "folk rock", and the pop-infused styles of the 1970s were called "pop rock". Moore-Gilbert claims that this approach unfairly puts rock at the apex and makes every other influence become an add-on to the central core of rock.[16]

In Christgau's Record Guide: Rock Albums of the Seventies (1981), Robert Christgau discussed the term "pop-rock" in the context of popular music's fragmentation along stylistic lines in the 1970s; he regarded "pop-rock" as a "monolith" that "straddled" all burgeoning movements and subgenres in the popular and semipopular music marketplace at the time, including singer-songwriter music, art rock, heavy metal, boogie, country rock, jazz fusion, funk, disco, urban contemporary, and new wave, but not punk rock.[17]

O que é "Yes/No Betting"?

"Yes/No Betting", ou "Apostas Sim/Não", é uma forma simples de realizar apostas bet4 bet bet4 bet eventos ou declarações. Isso envolve apenas decidir se algo vai acontecer ou não, como "O Manchester United vencerá o Liverpool?" por exemplo, e então o apostador aposta bet4 bet bet4 bet "sim" ou "não", com as respectivas cotas.

É possível fazer apostas "Yes/No" ao vivo?

Sim, como rulete online com dinheiro real para jogadores brasileiros, é possível realizar apostas "Yes/No" ao vivo bet4 bet bet4 bet muitos eventos esportivos bet4 bet bet4 bet tempo real. Isso adiciona mais emoção à experiência de apostas, pois permiti que os apostadores apostem bet4 bet bet4 bet situações específicas durante o jogo ou ao longo dele.

Os jogos de Mahjong permitem apostas durante a partida?

Beyond that, playing slots has no strategy. The only variable is your bet in amount and consistency, it's pure math using a random number generator.

[bet4 bet](#)

The best slots strategies consist of increasing the size of the bet after losing. You can do this in small increments after a loss, or increase the betting level after five consecutive losses. The goal is to win more from a larger bet and thus cover the previous wagers.

DH Lawrence y su caminata a través de los Alpes en 2024

En 1913, DH Lawrence emprendió una caminata desde Constance hasta Schaffhausen, atravesando los Alpes. En 2024, un escritor siguió sus pasos con la idea de escribir una novela. Sin embargo, el calor y la sequía dificultaron el viaje.

El encanto de la industrialización y el cambio climático

Lawrence utilizó su caminata para observar el avance de la industrialización en los Alpes. En 2024, el cambio climático se sumó a las preocupaciones. El viaje en barco por el Rin fue caluroso y agobiante, pero ofreció una vista fascinante de pueblos encantadores y gente disfrutando del río.

El desafío de la industrialización y el cambio climático

El recorrido hasta Schaffhausen estuvo lleno de campos cuidados, viñedos y pueblos suizos ordenados. Sin embargo, la industrialización y el cambio climático eran innegables. La caminata de Lawrence se convirtió en una exploración de cómo el mundo ha cambiado desde la perspectiva de la naturaleza y la industrialización.

Lugar	Observaciones
Lago de Constanza	Vista encantadora con Austria, Alemania y Suiza en el horizonte.
Schaffhausen	Pueblo encantador con una plaza de mercado y una fuente de piedra.
Rin	Río majestuoso y lleno de vida.
Eglisau	Pueblo pequeño y olvidado con una hermosa vista del río.
Zurich	Ciudad suiza ordenada con productos cuidadosamente alineados.
Gotthard	Paso desafiante con vistas a los Alpes.

La belleza de la naturaleza y la resistencia humana

A medida que el viaje continuó, la belleza de la naturaleza y la resistencia humana fueron evidentes. El autor encontró consuelo en pequeños pueblos y momentos de conexión con la naturaleza. Al final, el viaje inspiró la escritura de una novela, *Señor Geografía*, que explora el mundo en constante cambio.

Señor Geografía

La última novela de Tim Parks, *Señor Geografía*, está disponible en Harvill Secker por £14.99.
