British crime drama television series

Vera is a British crime drama series based on the Vera Stanhope series of novels by Ann Cleeves. First broadcast on ITV on 1 May 2011, it stars Brenda Blethyn as the principal character, Detective Chief Inspector Vera Stanhope.

The thirteenth series is set to start broadcast on 7 January 2024.

Premise [ edit ]

Vera is a nearly retired detective chief inspector of the fictional Northumberland & City Police, who is obsessive about her work. She plods along in a dishevelled state but has a calculating mind and despite her irascible personality, she cares deeply about her work and colleagues. She often proves her superior skills by picking up small errors in her team members' thought processes. Vera forms a close relationship with sergeants Joe Ashworth and Aiden Healy.[1]

Production [ edit ]

The series is filmed in Newcastle upon Tyne and throughout Northumberland in North East England. Locations include Gateshead, North Shields, Whitley Bay, Amble, Warkworth, Alnmouth, Bamburgh, and Holy Island.[2] The farmhouse used for the exterior shots of Vera's home is located on the Snook, part of Holy Island at or grid reference .[3]

"Hidden Depths", "Telling Tales" and "The Crow Trap" from the first series, as well as "Silent Voices" from the second series, are based on novels of the same names by Ann Cleeves. The episode "Sand Dancers" from the second series was due to be broadcast on 13 May 2012. However, the episode was pulled from the schedule as its storyline was about a soldier's death in Afghanistan and it coincided with news of two servicemen dying there.[4]

In August 2012, Vera was renewed for a third series of four episodes, with both Brenda Blethyn and David Leon confirmed as returning for the new series.[5] On 5 June 2014, ITV announced that a fifth series had been commissioned but that David Leon would not be returning. Kenny Doughty was unveiled as his successor. Letitia Knight was announced as executive producer for this series.[6] Cush Jumbo returned to the main cast following her two-episode guest stint in series two, while Lisa Hammond joined the cast as newcomer Helen Milton.[7]

In March 2024, ITV announced that the show had been renewed for a sixth series, with filming

commencing in June. The third episode was announced to be an adaptation of the novel *The Moth Catcher*, which was set to be published in September 2024.[8] Noof McEwan joined the cast following the departure of Cush Jumbo.[9] On 14 January 2024, while attending the TCA Press Tour, Blethyn confirmed that *Vera* was renewed for an eleventh series. Production for series 11 began in April 2024 and new episodes began airing in 2024.[10] In March 2024, ITV had announced that the thirteenth series was renewed with filming commenced in mid-May. It will feature former *Hollyoaks* actress Rhiannon Clements as DC Stephanie Duncan.[11]

## Julian Assange se declara culpable en una corte de Saipán por violar una ley de espionaje de EE. UU.

Después de tres horas de audiencia en una sala de audiencias con paneles de madera en una colina empinada y boscosa en la costa de Saipán, Assange admitió haber alentado a una fuente

a proporcionar información clasificada y creer que la Primera Enmienda protegía esa actividad. Sin embargo, ahora acepta que violó la Ley de Espionaje de EE. UU.

## **Antecedentes de Julian Assange**

### **Fecha Evento**

2010 WikiLeaks publica documentos clasificados del ejército de EE. UU.

2012 Assange busca asilo en la embajada de Ecuador en Londres.

2024 Assange es arrestado por las autoridades británicas.

2024 Assange se declara culpable en una corte de Saipán por violar la Ley de Espionaje de EE. UU.

## **Reacción de la corte y del público**

La jueza Ramona V Manglona declaró que aceptaría los términos del acuerdo de culpabilidad alcanzado entre Assange y el gobierno de EE. UU. Assange fue invitado a comparecer ante ella para recibir su sentencia, con el tiempo ya cumplido en una prisión del Reino Unido, lo que significaba que sería inmediatamente liberado, sin período de supervisión.

Assange llega a la corte de Saipán acompañado por el embajador australiano en EE. UU., Kevin Rudd.

Este resultado era casi seguro desde el momento en que Assange ingresó a la sala del tribunal, pero eso no disminuyó el impacto del momento. El fundador de WikiLeaks parecía emocionado cuando asintió con la cabeza ante el juez, reconociendo el veredicto.

La corte fue adornada y Assange abrazó a sus abogados, saludó a quienes lo habían perseguido y firmó autógrafos para sus seguidores. Comenzó a llorar frente al Pacífico brillante, junto a una playa donde los gatitos callejeros jugaban entre los árboles, poniendo fin a una saga legal de 14 años a medio mundo de distancia de donde comenzó.
