Game of Thrones Slot

If you were disappointed with the ending of the Game of Thrones™, rewrite the script with this Game of Thrones™ slot instalment from Microgaming. With elements of the award-winning HBO series included within, epic in-game features explode into life when you pledge allegiance to your preferred house. Baratheon, Lannister, Stark or Targaryen. Activate the action-packed bonus round and make your choice.

You

can play Game of Thrones™ at 32Red Online Casino, a medium volatility slot where bet levels range from £0.30 to £30. The 5x3 grid comes with an amazing 243 fixed paylines and maximum win potential of 20,250x.

Game of Thrones™ History

The history of the Game

of Thrones™ world as imagined by creator George R. R. Martin is far longer than what we can delve into here. But to sum things up, we join the story seventeen years after King Robert's uprising saw him become King of Westeros. His untimely death sparks a major civil war between several noble houses who each have a claim to the throne. Throw in an exiled Princess with three ferocious dragons and an army of undead zombies hellbent on carnage, and you have yourself a smash television series!

Despite the fantasy element,

Game of Thrones™ gained such a strong following due to its portrayal of real-life human behaviours – that of honour, betrayal, and revenge – sandwiched in between epic battles and the odd sex scene here and there. The ongoing conflict between different combatants, or houses, became a main plot feature and they all make an appearance within this Game of Thrones™ slot machine.

Game of Thrones™ Free Spins

Should you land

three to five of the Iron Throne Scatter symbols anywhere on the reels, this will result in an instant win of up to 200x and also activate the Free Spin selection. Here, you are asked to choose between four prominent houses from the Game of Thrones™ series,

each equipped with a different bonus modifier. They are:

House Baratheon – 8 Free Spins

with 5x multiplier and house symbol stacked to 3. House Lannister – 10 Free Spins with 4x multiplier and house symbol stacked to 4. House Stark – 14 Free Spins with 3x multiplier and house symbol stacked to 5. House Targaryen – 18 Free Spins with 2x multiplier and house symbol stacked to 6.

When symbols are stacked, this means they'll

expand to cover each row within the applicable reel. With an impressive 243 paylines as part of this Game of Thrones™ slot machine release, your chances of hitting a winning combination are greatly increased should this happen.

Selecting your preferred Free

Spin house comes down to personal preference. The Baratheon symbol is the most valuable and comes with the highest multiplier, but also provides fewer spins and stacked symbols compared with the Targaryen option. If all goes well, you'll be able to unlock the bonus round on multiple occasions and make different choices each time.

Game of

Thrones™ Graphics & Audio

With licence from HBO, this Game of Thrones™ slot is granted

permission to use imagery and sounds from the show itself. For example, the 5x3 grid overlays the Iron Throne – the coveted seat where the ruler of Westeros sits – which is presented in the Great Hall within King's Landing. Overall, the Microgaming designers have captured the dark, brooding atmosphere from the TV series extremely well. Being able to incorporate the instantly recognisable soundtrack from the opening credits is another big plus, helping players become fully immersed within the slot as they battle it out for big wins.

Game of Thrones™ Symbols

The Game of Thrones™ 243 Ways symbols are

a standout feature of the game. A nice touch is that each one can be clicked to display their values. Likewise, whenever the Wild symbol appears and forms part of a winning combination, it presents an animation from the show's opening credits. The Wild is also stacked on all reels, meaning it has an enhanced chance of stepping into complete winning combinations.

Although basic card playing suits are used for the low-paying

symbols (J, Q, K and A), the house sigils from the show are used for the premium ones.

These are the House Stark direwolf, House Lannister lion, House Targaryen three-headed dragon and House Baratheon stag. Landing at least three across a payline results in a win, with the maximum five paying out the following:

[[custom-data key="point2"]]Logo

Wild – 16.6x total bet [[custom-data key="point3"]]Baratheon Stag – 8.3x total bet

[[custom-data key="point4"]]Lannister Lion – 6.6x total bet [[custom-data

key="point5"]]Stark Direwolf – 5.8x total bet [[custom-data key="point6"]]Targaryen

Dragons – 5x total bet [[custom-data key="point7"]]Ace – 2x total bet [[custom-data

key="point8"]]King – 2x total bet [[custom-data key="point9"]]Queen – 1.3x total bet

[[custom-data key="point10"]]Jack – 1.3x total bet

Game of Thrones™ Bonus Features

Upon

any win, this Game of Thrones™ slot machine also presents a chance to double your winnings with the all or nothing Gamble feature. You're asked to predict the outcome of a coin flip – that of Game of Thrones™ character Jaqen H'ghar's to be exact – and whether it will land on heads or tails. Guess correctly and the spoils are all yours but make a wrong call and everything is lost. Valar Morghulis indeed. (Please note that the Gamble feature may not be available for 32Red players located in the UK).

Is Game

of Thrones™ 234 Ways Any Good?

For fans of Game of Thrones™, this online slot by

Microgaming is a fantastic way to relive the show's glory days. Using authentic visuals and music is a brilliant touch, helping to recreate an immersive experience for players already familiar with the dark and dangerous world of Westeros.

The inclusion of a

bonus round based on the main protagonists is a nice touch, so too allowing players to choose their preferred Free Spin package. With an extensive 243 paylines, this Game of Thrones™ slot also provides plenty of win ways that are especially lucrative when the stacked Wild symbol appears. So, as the Game of Thrones™ awaits, will it be you who sits atop the Iron Throne and takes home the incredible £121,000 maximum payout?

Game

of Thrones™ 15 Ways is a replica of this slot but with a vastly reduced number of paylines in play. This means you're less likely to achieve a winning spin from the base game but should receive higher returns when the wins do arrive. Another GoT themed slot at 32Red Online Casino comes with Game of Thrones™ Power Stacks where random character symbols from the show are stacked on the reels before each spin.

What lies beyond the

Wall? Find out at 32Red Casino and the Game of Thrones™ online slot game!
