Musketeer Megaways Review

The Musketeers story has transcended into the iGaming world

but not as you may remember. In true Twisted Tales fashion, Musketeer Megaways is a

darker story that tells the story from the point of view of the villain Cardinal

Richelieu.

iSoftBet decided to deliver something spectacular with two different game

modes including Quad Action and 1ForAll as well as free spins, multipliers and

modifiers leading to something, unlike any other slot.

Design

Like most of the other

slots within this series, the character designs look like something out of a Pixar

film but with cell shading. On the All4One side, Cardinal Richelieu is the protagonist

and features heavily on the reels.

There is an intense orchestral score following him

as well as ambient noises of the quaint French city and commentary from the man

himself. In the Quad Action, Athos, D'Artagnan, Porthos and Aramis take the reels.

Each

of the characters looks unique and there is a distinct glow on the reels. The music

changes and becomes more intense as well as having The Musketeers comment on the reels

as well.

Gameplay

As there are two types of gameplay modes, players have so much choice

and variety. Of course, the Quad Action comes at a heavier price but can deliver more

explosive gameplay.

The bottom of the screen contains the balance level, but the spin

button and bet level adjuster is to the right of the screen. Players wanting to change

the gameplay mode can find the button to the left of the reels.

Win Potential

Musketeer

Megaways had the makings to be something brilliant but sadly lacks. The RTP for Quad Action is 95.99% whilst it's a measly 95.53% in the 1ForAll mode - which is not great as both are under the average level.

As for the maximum win in medium to high volatility game, players will find 19,507x the stake for the Quad Action but it's increased to 33,980x the stake for the 1ForAll. Both of these amounts are decent and can be achieved through the multipliers in the free spins round.

Our Verdict

This is definitely the most ambitious slot from iSoftBet yet and it manages to deliver on most aspects. The two different gameplay modes are revolutionary and hopefully become a new trend within the iGaming world.

It all works perfectly with the two stories and the two different designs clashing against each other. Musketeer Megaways is a triumph in online slots and sets a new high standard for iSoftBet.
