Developed by Playtech, this title comes with a drastically reduced wheel size, but none of the fun has been taken out. You may as well argue that there is more to see and do in this version of the game as you prepare to explore new opportunities in real-time. The game itself comes with a greatly reduced wheel size, but the payouts remain quite tempting, and since the game is optimised for the market in Great Britain, you can rest assured that the experience has been tailored to the preferences of roulette players of all stripes. Whether you play recreationally, try to outsmart the house or just place an occasional wager - you will find the online Mini Roulette wheel to be a great way to explore the many permutations of the classic game. Mini Roulette Characteristics Mini Roulette is a perfect fit for new and experienced players who are willing to break away from the conventional gameplay of the classic version. There is not much difference between European and Mini Roulette other than that you have only thirteen numbers instead of the traditional 36 and a single zero.

The wheel size has been reduced to accommodate 0, 5, 12, 3, 10, 1, 8, 9, 2, 7, 6, 11, and 4 as the numbers allowed on the wheel.

One of the significant boosters to the experience in this version is that you don't have to worry about losing money on the zero. The game allows you to claim back half of your bet if the zero lands and you have not bet on it, similar to the La Partage rule in French Roulette.

When you play the Mini Roulette game, you will notice that the house edge is slightly lower than a traditional version of the game, at around 96.15%. While this is lower than most games, it's important to remind yourself that there are other upsides of the game that you can fully explore, such as the La Partage rule built directly into the gameplay.

Table Limits Bet Payout Minimum Maximum Straight up 11:1 0.25 25 Split 5:1 0.25 50 Street 3:1 0.25 75 Corner 2:1 0.25 100 Six Line - - - Column 2:1 5 125 Dozen 1:1 5 125 Even/Odd 1:1 5 250 Red/Black 1:1 5 250 High/Low - - -

Pros & Cons Naturally, every game of chance comes with some advantages and some drawbacks. Players will enjoy a spot-on experience with the Roulette Mini game, but to get there, they need first to understand the game for all its parts. Here, we have provided you with a quick read of what you can expect when playing this version.

Cons The Mini Roulette wheel has a 96.15% house edge

It makes it harder to play based on strategy Pros A fresh take on the classic roulette wheel

It can be played for free and for real money

You have a La Partage rule on the zero

The zero lands more often than not

You can play the game from mobile

Mini Roulette Rules The game is very easy to play. You see, the Mini Roulette set is straightforward where you place a wager and spin the wheel. You can bet directly in GBP, which will add comfort to the overall experience and make for truly rewarding gameplay overall. Players are very welcome to explore any bet they wish to back up on the layout, which should not be too difficult at all. There is nothing unique about this game besides the La Partage rule that applies to the zero and promises to boost your gameplay a little further. You will get to bet on the Outside and Inside Bets as you see fit and strive to generate the best possible return. A traditional Martingale strategy may find itself a little challenged to succeed here, and that is why it's important to ensure that you strike a balance between the wagers you place on the Inside and Outside Bet. Thankfully, the game is also available as a free version, and you can explore that at your leisure. Conclusion Mini Roulette is a fantastic version of the game developed by Playtech. The gameplay will take you to a simplified roulette wheel which will nevertheless prove just as rewarding, bringing you some of the best possible combinations and gameplay opportunities. You can play for real money and in a demo mode and have an excellent experience throughout your gaming session. Don't hesitate to explore Mini Roulette and make the best of every spin of the wheel.

### Bayer Leverkusen estira récord de invicto y clasifica a la final de la Europa League

La temporada extraordinaria de Bayer Leverkusen continuó el jueves con un emocionante empate 2-2 contra el AS Roma, que les permitió mantener un récord invicto de 49 partidos y clasificar a la final de la Europa League.

- La victoria por 4-2 en el global permitió a Leverkusen llegar a una final europea por primera vez en 22 años.
- Josip Staniši anotó en el tiempo de descuento y mantuvo a Leverkusen invicto esta temporada.

- Leverkusen superó el récord de Benfica de 1963-65 para la mayor racha invicta en partidos de alto nivel.

Leverkusen dominó el balón durante todo el partido pero necesitaba hasta el minuto 82 para anotar con la ayuda de un autogol de Gianluca Mancini.

Staniši selló la victoria en el tiempo de descuento con un gol que provocó alegría en el estadio lleno.

- Este es el 17mo gol tardío de Leverkusen esta temporada.
- Leverkusen enfrentará a Atalanta en la final de la Europa League el 22 de mayo en Dublin, Irlanda.

Se espera que Leverkusen dispute la final sin derrotas y pueda convertirse en el primer equipo en la historia de la Bundesliga en terminar una temporada sin perder si gana los dos partidos restantes contra VfL Bochum y Augsburg.
