About Fire Hopper

Hop to it and set the world alight in the Fire Hopper slot from Push

Gaming. The pond is brimming with dazzling water lilies to cluster up and where's there's a pond, frogs are only a stones throw away. The frog Wild symbol substitutes for any payable symbol and includes a win multiplier that is applied to all wins involving the symbol. These slippery fellows love to stick around and, for every win, will stay on the reels and increase their multiplier by 1x for every consecutive win they are involved in on the same spin. Fireflies can also appear on the reels and, if a Frog is anywhere in view, it will jump to the Firefly and leave behind a Wild symbol with each Firefly jump leaving behind an additional Wild. Watch out for the Bonus Fireflies which will activate the free spins mode which keeps the activating Frog on the reels for the duration of the feature.

features

Leaping Frog- When a Wild and Firefly symbol are on the reels at the same time, the Leaping Frog feature is activated. During this feature, the Wild will hop to the Firefly and leave behind an additional Wild in the space it jumped from. The Wild will continue to do this until all Firefly spaces have been filled. Duplicate Wilds left behind also contain the current multiplier active when the Wild jumped to the Firefly space. The multiplier on the Wild increases by 1x for each leap made to a Firefly symbol.

Instant Cash Collect- During the base game and free spins modes, Instant Cash symbols can appear on the reels and contain a cash value that is a multiplication of the current bet. Match these with a Wild symbol to have the Wild collect all visible Instant Cash symbols and award their values as an instant cash prize. The Wild symbol also applies its current multipliers to all instant cash values before paying.

Free Spins- Activated when a Wild and Firefly Bonus symbol are both visible on the reels. The Wild will jump to the Firefly Bonus space and award 7 free spins. During the free spins mode, the activating Wild will remain on the reels and continue to trigger the Leaping Frog feature whenever a Firefly or Instant Cash symbol appears on the reels with the Wild increasing its multiplier for every jump made. All Wilds on the reels as a result of the Leaping Frog feature will reset on each spin and the total multiplier will increase for the duration of the feature.

Receptor de Chiefs de Kansas City, Rashee Rice, sospechoso de agresión en Dallas

Rashee Rice, receptor de los Kansas City Chiefs, es sospechoso de agresión en Dallas, un poco más de un mes después de ser uno de los conductores en una cadena de accidentes que resultaron en múltiples cargos, según un informe del periódico Dallas Morning News el martes.

Funcionarios de aplicación de la ley le dijeron al Dallas Morning News que Rice está sospechoso de haber agredido a una persona en una discoteca del centro temprano el lunes y que la persona fue a un hospital después del encuentro.

Los oficiales fueron enviados al club nocturno alrededor de las 2.30 am del lunes sobre un informe de una agresión y la víctima fue llevada al hospital con lesiones no amenazantes para la vida, dijo la policía.

El abogado de Rice, Royce West, no respondió a un mensaje de la Associated Press en busca de comentarios. Los Chiefs y la NFL se negaron a comentar.

Rice se presentó en los Chiefs para entrenamientos voluntarios el mes pasado, cuando el entrenador en jefe Andy Reid dijo que había hablado con el receptor y el equipo estaba dejando que el proceso legal se desarrollara.

Rice se presentó con los Chiefs poco después de entregarse a la policía de Dallas por múltiples cargos, incluido el de agresión, que involucran el accidente de alta velocidad.

West ha reconocido previamente que Rice conducía un Lamborghini SUV a alta velocidad cuando ocurrió el accidente de seis vehículos el 30 de marzo. La policía dijo que Theodore Knox, quien también jugó para SMU, conducía un Corvette.

Rice, quien cumplió 24 años el mes pasado, y Knox han sido acusados de un cargo de agresión, un cargo de colisión que involucre lesiones graves y seis cargos de colisión que involucre lesiones.

Cuatro personas resultaron heridas en el accidente y la policía dijo que los ocupantes del Lamborghini y el Corvette se retiraron del lugar sin proporcionar información o determinar si alguien necesitaba atención médica.
