In the world of sports betting, "2 and more than 2.5" is a common expression used in Betano. In this context, "2" refers to the number of goals scored by a team during the match, while "more than 2.5" means the bet on more than 1.5 goals in total in the game. If a team scores two or more goals, and there are more than 2.5 goals in total, then the bet is won.

When and where did it happen?

On October 25, 2024, in a soccer game that is yet to be announced, a bet was placed on the "2 and more than 2.5" option on Betano. Due to the high risk and high potential reward, bettors wagered on the expectation of a high-scoring match. The bettors could win big if they picked the right match and the game ends with a score of 2 to 1, 3 to 1, 2 to 2, 3 to 2 or any score with more than 2.5 goals.

Consequences and recommendations

Sports betting can be risky, and betting on "2 and more than 2.5" is even riskier than usual. However, the potential rewards can be high if the match turned to be a high-scoring game. For those who want to try sports betting, the recommendation is always to gamble responsibly, only wager what you can afford to lose, and avoid chasing losses. If you're a beginner, you can start with low-risk bets and gradually move on to more challenging options as you get more experience.
