Where can I organise or play poker?

Outside a casino, you can organise poker games and

play poker 4 in many different settings. However, the rules are different depending on where you play.

Poker at home

Playing games of poker in 4 your own home, between friends

and on a non-commercial basis, is legal. However: the rest of the participants must be

4 your legitimate guests or friends

you cannot invite members of the public to join

in

you cannot ask people to pay a 4 fee, separate from the stake, to take part. There is no limit on the stakes and prizes when playing poker 4 at home.

Poker at work?

You can

organise poker games or play poker in the workplace as long as

that there is no 4 charge

for participation (excluding stakes)

the public do not have access to the venue. There

are no limits on the stakes 4 you can play or the prizes you can win, when playing poker at work with colleagues.

Poker for Charity

You do not 4 need a licence, permit or any

other form of permission to run what is called non-commercial equal chance gaming, for example, a poker night organised to raise money for charity. The players must be told what good cause is to benefit from the profits of the gaming. Under 16s are not allowed to participate.

In respect of all games played at an event the aggregate amount or value of prizes and awards distributed in respect of those games shall not exceed £600. Where a series of events is held the amount or value of prizes and awards distributed in respect of those games shall not exceed £900.

No matter how many games you run or a participant expects to play in, they must not make more than one payment (whether as an admission or participation fee, stake or other charge, or a combination of those charges), and this payment must not exceed £8.

#### Poker in Casinos

In Great Britain, you can play poker in casinos licensed by the Gambling Commission. However, poker played as a casino game could mean that you have lower gambling odds than if you play poker as a game of equal chance. (Equal-chance gaming does not involve playing or staking money against a bank (or dealer) and the chances of winning are equally favourable to all participants)

Casinos can also run poker tournaments at temporary venues, for a limited amount of time, under temporary use notices (TUNs).

#### Online Poker

Poker can be played

online with unlimited stakes. Before starting to gamble, you should ensure that you know some basic details about the company. For example, where are they licensed and how you can contact them. Some legal gambling sites can be found in New Zealand so for example [onlinecasinonewzealand.co.nz](http://onlinecasinonewzealand.co.nz) brings you a list of the best casino sites.

You may

need licensing details if you have any queries on its gambling products before you decide whether to gamble. There should be clear information about how to make a complaint against the gambling company and how your complaint will be dealt with. In the event that you make a complaint and are not happy with the outcome it should be clear what further steps you can take. Operators licensed by the Commission are required to ensure that a complaint is referred to an independent body if you are not satisfied with how it has been handled. The Commission monitors companies to ensure complaints are dealt with appropriately and looks for trends which indicate where licensees might not be doing what they should. Safe places to play online poker.

#### Poker

in a Pub (Public House)

You can organise poker games and play poker in a pub. However,

there are strict conditions on any gaming including limits on stakes and prizes.

Licensing authorities can take action against individuals whose premises do not comply with these conditions. Poker can be played in pubs but there are limits to the stakes and prizes that can be played for.

#### Stakes and prizes

There is a maximum value to both

the amount that can be staked and the prize that can be offered when playing poker in a pub.

The maximum stake per player is £5 per game, and the combined stakes for your premises should not exceed £100 per day.

The maximum prize is £100 per game. This

maximum includes money, payments in-kind, vouchers, goods, donated items, goodybags, buy-ins at other poker tournaments and other items which have a value.

Additionally,

you cannot charge a participation fee, including for example by having entrants pay a compulsory 4 charge for a meal.

Poker in a Club (Private Members Club)

Poker can be

played in clubs as long as it takes 4 account of the conditions that apply to gaming in clubs, including limits on stakes and prizes.

The maximum stake per player 4 is £10 per

game, and the combined stakes for your premises must not exceed £250 per day and £1,000 per 4 week.

The maximum prize is £250 per game.

A maximum participation fee of £1 per

person per day can be charged by 4 a members club, with or without a club machine permit. A commercial club with a club machine permit can charge 4 £3 per person per day, but only £1 otherwise.

Private Cash Poker

Private Cash Poker (as opposed to

tournaments) is allowed but 4 Gaming is only private if it occurs in a place to which the public does not have access (normally a 4 private dwelling, hostel, hall of residence or similar establishment). No charge may be made for participation in private gaming (and 4 this includes an entrance fee or other charge for admission), nor may any amounts be deducted from stakes or prizes. 4 No profits can be made from private gaming, irrespective of how the organiser intends to use those profits.

Private gaming can

4 potentially take place on commercial premises in circumstances where a members club hires a room in, for example, a pub 4 or hotel for a private function where equal chance gaming only is played. However, organisers would need to scrutinise very 4 carefully the arrangements put in place to make sure that the particular area of the pub, hotel or other venue 4 in which the gaming takes place is not, on the occasion of the private function, a place to which the 4 public have access and that those participating are not selected by a process which means that, in fact, they are 4 members of the public rather than members of the club. The law in this area is complex and organisers are 4 strongly advised to seek their own legal advice before organising events of this nature.
