Poki?

There are no Poki games here! Why? One of the tasks of our site is to provide you with access to high-quality games that can compete with Poki games. All games present in our catalog are free. There are more than 300 thematic categories on our site. The section of 1001 games designed for tablets and smartphones, which also work on desktops, is also growing rapidly. We have collected for you a vast number of games, including all the most famous game series that are updated daily, which are not available on the original Poki website yet. To start with, choose the genre you like, then decide on the game you want to play and launch it right away, without registering and downloading it to your computer.

From Flash to HTML5 available without Poki games

Since people have always enjoyed unwinding and having fun, they have created numerous devices or simply exploited resources that were available to them. That is how things familiar to us were created: balls, skittles – before that they were just stones and sticks. But now we have all these technology and devises, thanks to which the gaming component of everyday life has increased many times.

Since modern browsers have

stopped supporting Flash technology since 2024, games based on this system are gradually leaving web pages. However, there are still some of the most popular toys that work in browsers using special emulators. HTML5 technology significantly expands the possibilities for players. Created using modern developments, HTML5 games can be launched both on desktops and on many other devices of various modifications.

If you're

tired of only seeing Poki games, you've come to the right spot because this website contains a complete section of strange games that everyone can find. You won't ever get bored because our website offers a wide variety of options for the whole library of alternatives to games Poki. In either case, on our portal, you will not have to

download and install anything on your desktop, tablet, or smartphone. By opening the page with any game, you can play straight away. This is convenient as no uninstallation is required either, which means that valuable resources on your computer will remain free.

What are the best 1001 games without Poki?

We suggest that you look through the top 1001 games played by users from all across the globe. Here they are:  
New 1001 games catalog - without Poki games!

Our editors have been working since 2013 compiling the rating of games for you, and many of our regular visitors are constantly sending interesting new materials. You always have such an opportunity! Together we are working on the popularity rating of 1001 games and strive to keep it up to date. The sets of game categories are quite diverse, and the plots of many 1001 games are classified into several genres at the same time, so you can always understand what is most popular and in demand right now. Although we firmly believe that Poki games are worth checking out, there are currently a lot more offers from other game developers. These top 1001 games may not always meet your specific needs, so we suggest you look deeper, scroll through the pages of the game category, and you will definitely find exactly what you are looking for.

The range of Poki games substitutes

Today, in addition to computers, there are a lot of exciting gaming deals available for tablets and smartphones as well. Every day it becomes more and more difficult to choose because there are so many great 1001 games of various genres available. For searches involving the names of casual gaming genres, the Poki website is typically among the top 3 Google results. While we think Poki games are definitely worth checking out, there are now a lot more deals from other game producers.

Some players might enjoy playing strategic 1001 games, but others would prefer a frantic shooter. We offer challenges for everyone, whether you prefer those that call on you to solve a variety of puzzles and carry out logical activities.

Remember, to work well, you need to rest well. Play with us!

Desura and Game&Game now

is Desura

We are delighted to announce a significant development at Desura: the acquisition of the gaming projects Game&Game and Desura. As a result of this successful merger, these projects have now become an integral part of our gaming platform.

This

exciting collaboration has expanded our portfolio of 1001 games, offering you an even broader selection of gaming experiences. We are committed to providing a diverse range of high-quality games that cater to different genres, preferences, and playstyles.

Join

us at Desura to explore the world of 1001 games and immerse yourself in captivating adventures. Discover new challenges, engage with our passionate gaming community, and unlock hours of entertainment.

We sincerely appreciate your ongoing support and enthusiasm for Desura. Your participation has been instrumental in shaping our platform into what it is today, and we are dedicated to continually enhancing your gaming experience.

Get ready to embark on an exciting journey with our expanded collection of 1001 games, which does not include games from our main competitor Poki. Join us at Desura and let the fun begin!

### **Líder de Hong Kong responde a acusaciones de espionaje en Reino Unido**

El líder de Hong Kong respondió el martes después de que tres personas fueran acusadas por la policía británica por presuntamente espiar en nombre de los servicios de inteligencia de la ciudad.

El lunes, tres hombres comparecieron ante el Tribunal de Magistrados de Westminster en Londres acusados de delitos de seguridad nacional, incluida la asistencia al servicio de inteligencia de Hong Kong, según un comunicado de la Policía Metropolitana de la ciudad.

Chi Leung (Peter) Wai, de 38 años, Matthew Trickett, de 37 años, y Chung Biu Yuen, de 63 años, también son acusados de interferencia extranjera, según el comunicado, sin precisar quiénes son los hombres acusados de espiar.

Las relaciones entre Hong Kong y su antiguo gobernante colonial, Gran Bretaña, se han deteriorado en los últimos años tras las manifestaciones pro-democracia masivas en la ciudad china en 2024 y 2024.

El gobierno británico ha criticado la represión de Hong Kong a casi toda la oposición en los años siguientes a las protestas, mientras que las autoridades de Hong Kong se han mostrado reacias a que Gran Bretaña brinde un refugio seguro a los líderes pro-democracia buscados por la policía de Hong Kong.

El martes, el jefe ejecutivo de Hong Kong, John Lee, calificó las acusaciones británicas contra los tres hombres como una "fabricación".

"El lado chino rechaza firmemente y condena enérgicamente la fabricación del Reino Unido en el llamado caso y su acusación infundada contra el gobierno de Hong Kong", dijo Lee, refiriéndose directamente a un comunicado de la Embajada China en Londres que también se emitió en respuesta a las acusaciones.

El lunes, el comunicado de la Embajada China, condenó enérgicamente lo que llamó la "acusación infundada del Reino Unido contra el Gobierno Especial Administrativo de Hong Kong".

Los cargos contra los tres hombres alegan que entre el 20 de diciembre de 2024 y el 2 de mayo de 2024, Yuen, Wai y Trickett acordaron realizar recopilación de información, vigilancia y actos de engaño que eran probablemente que materiasaludablemente asistieran a un servicio de inteligencia extranjero, según los medios de PA.

La policía también alegó que el 1 de mayo, los tres forzaron la entrada en una dirección

residencial del Reino Unido, según PA.

A todos se les concedió la fianza, pero se les prohíbe viajar internacionalmente, con la jueza de distrito Louisa Cieciora diciendo que deben cumplir con un toque de queda nocturno y presentarse semanalmente en la estación de policía local.

El jefe ejecutivo de Hong Kong, Lee, señaló en su conferencia de prensa del martes que uno de los hombres acusados era el gerente de oficina de la Oficina Económica y Comercial de Hong Kong en Londres, pero no abordó directamente una pregunta sobre si estaba involucrada en la vigilancia de disidentes de Hong Kong en el Reino Unido.

Lee, el ex jefe de seguridad de la ciudad, dijo que la Oficina Económica y Comercial de Hong Kong existe para facilitar las interacciones culturales y económicas con las personas y empresas del Reino Unido y que "Cualquier intento de hacer acusaciones infundadas contra el gobierno de Hong Kong es inaceptable".

La Policía Metropolitana dijo que habían acusado a los hombres de asistir al servicio de inteligencia extranjera en virtud de la Ley de Seguridad Nacional del Reino Unido.

"Se han realizado una serie de detenciones y registros en Inglaterra en el contexto de esta investigación. Si bien se dirige desde Londres, la Red de Lucha contra el Terrorismo del Reino Unido ha sido crucial para interrumpir esta actividad y hemos trabajado estrechamente con la Fiscalía del Servicio de la Corona desde el inicio de la investigación", dijo el comandante Dominic Murphy, jefe del Mando de Lucha contra el Terrorismo de la Met, en el comunicado.

La policía dijo que la investigación continúa, pero agregó que no existe una amenaza para la comunidad en general.
