Seven-Card Stud Poker Rules

Introduction

Before the start of the Texas hold'em poker

boom a couple of years ago, seven-card stud was 3 one of the most popular poker variations in the United States.

The game can be played with two to eight players, 3 and

the biggest difference between seven-card stud and Texas hold'em or Omaha is that seven-card stud does not involved a 3 flop, and in most cases, it doesn't involve community cards at all.

Here we go over the poker rules for Seven 3 Card Stud.

How to

Play Poker for Beginners Check out the rules and basic strategy to all the popular poker formats 3 Click Here

Game Play

As you can see in the image above, to begin each

hand a player is dealt the first 3 two cards face down and then a third facing up. This is often called third street. The two face-down cards 3 are called the "hole cards" and the face-up card is called the "door card." Based on these three cards, one 3 would decide whether or not to continue with the hand. Like in any poker variation, starting-hand selection is extremely important 3 in seven-card stud.

Each player gets

dealt a total of seven cards, of which three are dealt face down and four 3 are dealt face up. From these seven cards the player has to choose his best five-card combination. The hand rankings 3 are identical to those in Texas hold'em or Omaha; a royal flush is the best possible hand and the worst 3 hand is the high card hand (no pair).

Antes, bring-in and betting

While the blinds are the forced bets in Texas

hold'em 3 and Omaha poker, antes are the forced bets placed by every player before receiving any cards. As an example, let's 3 think of aR\$10/\$20 seven-card stud game with an ante ofR\$1 and a bring-in ofR\$5.

Each player wanting to be dealt in 3 to receive a

hand would have to post theR\$1 ante, creating a pot worth competing for. The first three cards 3 are then dealt to each player before it is determined that one player must post the bring-in. In seven-card stud, 3 the player with the lowest-ranking door card would have to post theR\$5 bring-in at minimum, but this person does have 3 the option to "complete" the bet by postingR\$10 (the small limit of the game). From there, the betting continues clockwise 3 around the table, with each player having the option to call, raise or fold. In the case that the first 3 player who brought in only posts the bring-in, other players may have the option of completing the bet toR\$10 as 3 the first raise. Once the betting is complete, every player left in the hand is dealt a fourth card, referred 3 to as fourth street.

In games that involve a button that dictates where

the action starts, those differ from seven-card stud. 3 In seven-card stud, the first player to act from fourth street on is the player displaying the highest-ranking hand.

Before proceeding 3 past third street, though, it is important to have solid hand selection. An example of good starting hands in seven-card 3 stud would include the following:

Seven-card stud is most often played as a limit game. Sticking with the same example of 3 ourR\$10/\$20 seven-card stud game, the limits of betting on third and fourth street would be the smaller limit, orR\$10 in 3 this case. On fifth, sixth and seventh street, the limits increase toR\$20.

In the case that a player pairs his door 3 card on

fourth street, the opening player now has the option to bet double the small limit, or the larger 3 limit. For example, if a player begins with an ace and picks up another ace on fourth street, that player 3 may open with a bet ofR\$20 instead ofR\$10. This unique betting rule only takes place in the high version of 3 seven-card stud, and not the split-pot version.

Conclusion

In seven-card stud, it is very important to pay close

attention to the cards 3 of your opponents. If you, for example, have a straight draw with KQJ10, but you already see three aces on 3 the table, then you are only drawing to one ace and the remaining nines in the deck. If a player 3 folded the case ace and you are unaware he or she did so, you could be incorrectly estimating your odds 3 in the hand.

Must Have Rooms

Home to the biggest tournaments online, these rooms also have the largest player base, great bonuses, 3 tons of action and the best software. If you don't have accounts here, you are missing out on the best 3 that online poker has to offer.
