Teamwork

Just like the other games in this series, Fireboy and Watergirl: Fairy Tales relies strongly on teamwork between both characters. This makes it the ideal 2-player game to play with a friend! Together you solve various puzzles to reach the end without falling foul of any traps.

Temples

There are 31 levels to explore in Fireboy and Watergirl 6. Out of the 31 stages, 6 are special levels that have to be unlocked. Like other games in the franchise, you must collect the diamonds corresponding to each player, then get to the exit door in each temple challenge.

New Content

As with each installment in the series, there is a unique theme. Fireboy and Watergirl 6 features fairies that you can drag using your mouse to help you get through doors and up elevators. This action is all done without having to move either character!
