bet365 UK sports welcome offer (4.5/5)

This is where bet365 stands out. The welcome bonus for UK punters is one of the best in the market, if not the best. You be the judge. To qualify, you have to deposit between £5 and £10 and place a bet with a minimum odds of 1/5 to receive between £15 and £30 worth of bet credits. When you place bets with credits, you keep all your winnings as cash and there are no minimum odds to consider. You can stake as little or as much as you want with your bet credits as long as the stake qualifies.

*This offer is only available once per new player older than 18. The first deposit must be min £5 or £10. The full deposit amount must be wagered with min odds of 1/5 to release the bet credits. Winnings minus the stake from bets with credits are converted to cash and can be withdrawn.

Other bet365 promotions

bet365 offers punters a wide selection of bonus offers beyond the welcome bonus. These include bet boosts, a 70% acca bonus on football, a price promise, as well as specials on American sports. Still, our favourite is the 2 Goals Ahead Early Payout Offer available in more than 80 football leagues. Simply place your pre-match bet on which team will win and if your team takes the lead by 2 goals at any time during the match your bet will be settled as a winner.

*The only requirements for the 2 Goals Ahead Early Payout Offer is that you don't do a partial cash out and that the market you bet on hasn't been boosted or enhanced in any way when you place your bet.
