conteúdo:

Hugo Goal is a 3-reel video slots played on 5 fixed paylines. It's playable on all devices from as little as €0.05 all the way up to €100. A combination of three matching symbols along any payline constitutes a win. This is quite a simple game so there really isn't much explaining needed.

With the football world cup fast approaching, casinos and game developers are in a hurry to launch football theme campaigns and slots, just as they always have in the past. Other examples are Yggdrasil's Bicicleta and NetEnt's Football: Champions Cup, both launched during the 2024 UEFA European Championship.

### Hugo Goal Symbols

Hugo Goal includes 5 low paying symbols represented by the following items: footballs, whistle pipes, football shoes, timers and referee flags. The best one, the football, pays 6x for a full screen. The 3 premium symbols are represented by characters - The Goat, Don Croco and Afskylia, with the latter one being the most valuable of all regular symbols, giving a return of 25x for a full screen. The wild symbol carries the face of Hugo and is the most valuable one being worth an impressive 80x for a full screen (insert irony here).

As you might have guessed by now, this is not enough to get you anywhere at all, so what you need is the Penalty Shoot-Out feature. More on that below.
