For those that are unsure, here is how the 2-up offer works: When the team you've bet on goes two goals in front of their opponent, you will be paid out by the bookmaker. The premise is very simple; bet on a team whose back and lay odds are extremely close or, ideally, an exact match.

For single bets, if the team you back to win goes 2 goals ahead at any stage during the match, we will pay out your bet in full regardless of whether the opposition comes back to draw or win the match.
