Purely based on odds, Double bonus Poker is statistically the best video poker game to play. In fact, the odds are so high in this game that it pays you to play. Jacks or Better comes in a close second. This variation of video poker is very popular and holds an outstanding balance of payouts and house edge.

Flodder Daily Jackpot is based on the all-star family from the 80s films Flodder, Flodder in Amerika, and Flodder 3. You will see all the crazy characters in this slot game by Red Tiger, such as Ma Flodder, Johnnie Flodder, Grandpa Flodder, Whisky the dog, and more!

Flodder Daily Jackpot game features

This slot game has lots of features that will keep you guessing. Lots of these include Wild symbols!

Grandpa Flodder is active in the base game and the bonus rounds. He will roll across the screen, dropping up to twelve Wilds as he goes! Wilds all help you to win, as they can substitute for other symbols across winning pay lines. The other Wilds are active during the Free Spins Bonus Round, such as the Sjakie Super Wilds, the Ma Wilds, and the Johnnie Wilds.

When the Free Spins round is activated, you will first be taken to the Free Spins Picker. There will be a lineup of bottles to choose from, which each contain a different modifier for your Free Spins round. These could be extra spins, Win Multipliers, or the special Wilds mentioned above.

How to play Flodder Daily Jackpot

Flodder Daily Jackpot has five by three reels and 25 ways to win.

The gameplay is straightforward: set a stake from 0.10 credits and spin the reels. The chaos comes from the Flodders themselves!

You can activate the Free Spins Picker and Free Spins Round by landing three or more Free Spins symbols on the reels.
