Singbet is one of the biggest, if not the biggest, betting outlets in the far 2 East. This bookmaker can be accessed only via an agent or a broker. Singbet has some unique characteristics, both positive and 2 negative. Be sure to read this review until the last line, otherwise, you will miss significant points. Let's start with the 2 positive characteristics. - The widest variety of football leagues and events both pre-match and in-play, offer games and markets that can't 2 be found anywhere else. - Extremely high odds with a margin of just 2% on top popular football leagues. Lower leagues 2 also are covered with very competitive odds. - Extremely high betting limits that can't be found in other bookmakers. - Very early 2 odds, that give the tenor to other bookmakers. - The best Asian handicap offer. - Very competitive odds, probably the best odds, 2 on difficult markets including corners, cards, penalties and outrights. Notice, outright bets might come with lower betting limits. - Available to 2 all major betting platforms, Mollybet, AsianOdds and their white labels. Now let's go to the negative characteristics. Arbitrage players, traders, syndicates, professional 2 and sharp players are not welcome. Singbet has been known to void bets after an event has been decided if 2 they suspect that sharp action is proved to be smarter than their traders. - Singbet is notorious for voiding bets with 2 absolutely no notice, especially winning bets. Players are left with the impression that their bets are standing while in reality, 2 they are already void. This is not fair play. - Unlicensed and unregulated, if that means anything to you. - Singbet operates 2 in what is called a "shareholder business model", which forces agents and brokers to take a betting position against their 2 referred clients. This model pays-out lavish commissions and rewards to agents but in return, they have to filter their clients 2 and keep only square action. - No significant offer other than football markets. Two very important observations We studied the reports of dozens 2 of our members who use this bookmaker, and we came to the conclusion that Singbet will most probably void your 2 bets if you manage to beat their traders. Let me illustrate that with an easy to understand example. Let's suppose 2 that you placed a bet in Singbet at odds 1.90, and right after these odds collapsed to 1.80 in all 2 major competitors (Pinnacle, Betfair, etc). Your Singbet bet will most probably be cancelled and you will not be informed for 2 that until it is very late. If the bet is a winning one, you can be very confident it will 2 be cancelled. Scary? Also based on long term observation, it is advisable that you should not repeat your bets. If you 2 want to place a bet at 1.90 odds, don't place the same bet again when the odds fall to 1.85 2 and 1.80. Most of these bets will be cancelled. How should you handle Singbet? As you already understood

from the above, Singbet 2 requires a very delicate approach. Every sharp bettor will be under Damocles' sword. You can choose to use Singbet only 2 on top football leagues and only when the odds offered emits no sign of sharp action. But in this case, 2 maybe you should look to other bookmakers like Pinnacle. If you are looking for rugby markets, American football or anything 2 like this, Singbet is not your online sportsbook. Many times, players find themselves in a position where they don't have 2 any alternatives, but to place bets in Singbet due to their high limits. Personally, I wouldn't take that risk, as 2 I prefer to bet than gamble (others call it to gamble responsibly). That said, it is advised to de-activate Singbet 2 from any platform and their white labels unless you are a square bettor, which I doubt you are. So what 2 is left? The only credible way to bet on Singbet's odds is by Skype's "No Void Guarantee" from , which 2 we secured for our members. However, this should be used under very specific circumstances. Skype betting comes with significant delays, 2 and it might take you 1-3 minutes in order to confirm a wager, especially if we are talking about bigger 2 wagers. The larger the bet is, the bigger margins added, and that means that only smaller than offered limits will 2 take the creme of the odds. You can have a look at the following in order to compare agents and decide 2 which one suits you best: And of course, you can have a look at this case, reporting a void bet from 2 Singbet: I hope you found this review useful. Feel free to comment and read what our members say about Singbet.
