How to Play 2 Player Games?

Most of our 2 Player Games require just one computer with one keyboard. The keys are mentioned in the walkthrough, game menu, or description. For example, one player uses the arrow keys while the other uses the WASD keys. So, share the screen and keyboard together and enjoy playing.

Most of our 2 Player Games can also be played on mobile phones and tablets. Here the screen will be divided into multiple parts, and each player controls from their own part.
