Segundo a revista "Sueva", após não receber notícias sobre novibet marketing saída, Tantra não conseguiu completar "Out of the Clouds". Em 21

Football stadium

Stadio Atleti Azzurri d'Italia, known for sponsorship reasons as the

Gewiss Stadium since July 2024 and as Stadio di Bergamo in UEFA competitions,[2] is a stadium in Bergamo, Italy. It is the home of Serie A club Atalanta and has a capacity of 21,000 seats. The field is 120 m (130 yd) long and 70 m (77 yd) wide. Atalanta has owned the stadium since 2024, having purchased it from the comune.

Atalanta's youth

team also sometimes plays competitive matches at the Gewiss Stadium, most recently the Supercoppa Primavera in 2024.[3] The stadium in Bergamo has also been used as a home ground by local club AlbinoLeffe from 2003 to 2024 (when it moved to Gorgonzola)—a period during which AlbinoLeffe spent nine years in Serie B and met Atalanta on several occasions[4][5][6]—and for various matches of the Italy national team.

History [ edit

]

Early years [ edit ]

With the growth of football in the 1920s, Atalanta needed a new stadium with considerably larger capacity than its previous grounds.[7] The new stadium was constructed on Viale Margherita (now Viale Giulio Cesare),[8] replacing a hippodrome that once occupied the site.[9][10] Construction of the new stadium took one year; it opened in 1928 and cost 3.5 million lire.[7] The stadium was named after fascist Mario Brumana; this was common naming practice in fascist Italy.[9][7] The Brumana stadium was much larger than the Clementina field, having a seated capacity of 12,000 spectators in two tribune (side stands) and a larger field measuring 110 by 70 metres (360 by 230 ft);[11] it also featured a running track, as it was planned to form part of a larger complex. On 1 November 1928, Atalanta played its first unofficial match at the stadium (a 4–2 victory against Triestina); the stadium was then officially inaugurated on 23 December 1928, when Atalanta defeated La Dominante Genova 2–0 in front of over 14,000 spectators.[9]

After World War II, the stadium was renamed the Stadio Comunale ("Municipal Stadium"), as fascism no longer existed in Italy.<sup>[4]</sup> Expansion of the stadium began in the years following the war: the construction of a south stand (the Curva Sud) began in 1949,<sup>[10]</sup> and a second stand at the north end (the Curva Nord) followed during the 1960s, opening in 1971.<sup>[9]</sup> Later, in 1984, the running track was removed in order to expand the stadium's capacity upon Atalanta's return to Serie A after five years.<sup>[10]</sup> The club's first match in the 1984–85 Serie A, a 1–1 draw against Inter, had an attendance of over 43,000 spectators, a record attendance for the Stadio Comunale.<sup>[13][a]</sup>

The Gewiss Stadium in 2024

Atalanta's Gewiss Stadium in 2024

Modernization projects [ edit ]

The Tribuna Giulio Cesare underwent modernization during the early 1990s, and the stadium was renamed the Stadio Atleti Azzurri d'Italia ("Blue Athletes of Italy") in 1994.<sup>[7]</sup> In 1997, following the death of 22-year-old forward Federico Pisani in a car accident, the Curva Nord was nicknamed the Curva Pisani in his honor.<sup>[14]</sup> Similarly, the Curva Sud was nicknamed the Curva Morosini in 2012 to posthumously honor 25-year-old youth academy player Piermario Morosini,<sup>[15]</sup> who died following collapse on the field during a Serie B match between Pescara and Livorno.<sup>[16]</sup> In 2024, the stadium also expanded its side stands to offer pitchside views only several meters (feet) from the benches, a revolutionary feature of Italian stadiums at the time.<sup>[10][4]</sup> This phase of improvements also included improved bench facilities for players and the introduction of luxury boxes atop the grandstand.<sup>[17]</sup> New seating areas for disabled spectators were also added. At the same time, the press box has been lowered and moved towards the pitch. These improvements came with a reduction in overall capacity by around 3,000 seats. The club paid €2.6 million for the first phase of redevelopment.<sup>[18]</sup>

On 10 May 2024, Atalanta announced the acquisition of the stadium from the comune for 8.6 million euros,<sup>[10]</sup> becoming one of only four Serie A clubs to own its home stadium.<sup>[19][b]</sup> This acquisition allowed the club to authorize a renovation project for the stadium,<sup>[19]</sup> for like many Italian stadiums, much of its structure and facilities were considered outdated.<sup>[4][20]</sup> This renovation project was also necessary to upgrade the stadium to meet UEFA standards for hosting matches in UEFA competitions. Because the stadium was not ready at the time, Atalanta had to play its Europa League home matches at the Mapei Stadium in Reggio Emilia and its Champions League home matches in its debut season at San Siro in Milan.<sup>[21][22]</sup> Despite not playing in Bergamo, though thanks to the additional capacity of San Siro, Atalanta recorded its record home attendance of 44,236 during a Champions League knockout stage match against Valencia on 19 February 2024.<sup>[23]</sup>

Following a sponsorship agreement with electronics company Gewiss lasting at least until 2025, the stadium was renamed the Gewiss Stadium on 1 July 2024.<sup>[24][25]</sup> On 30 April 2024, a new phase of renovations began with the demolition of the Curva Nord "Federico Pisani" (North Stand).<sup>[26]</sup> On 6 October 2024, the renovated Curva Nord was inaugurated for Atalanta's home match against Lecce;<sup>[27]</sup> it has covered seating for over 9,000 spectators.<sup>[28]</sup> A year later, both side stands underwent modernization and the Curva Sud had temporary seats installed on the concrete.<sup>[29][30]</sup> These upgrades allowed Atalanta to play its Champions League matches in Bergamo starting in the 2024–21 season.<sup>[31][32]</sup> The final phase will feature a rebuilt Curva Sud (mirroring the rebuilt Curva Nord), which will increase the stadium's capacity to about 25,000, as well as construction of a new underground parking garage and other improvements to the stadium's surroundings.<sup>[33]</sup> It was originally expected to be completed in 2024, though was delayed until February or

March 2024;<sup>[9]</sup><sup>[34]</sup> the start of construction was then further delayed to spring 2024, with expected completion in August of that year.<sup>[35]</sup> Atalanta will still be able to play its home matches at the Gewiss Stadium during construction.<sup>[33]</sup>

International matches [ edit ]

The Gewiss Stadium has also hosted various international matches, though was not selected as a venue in any of the international tournaments hosted by Italy. The Italy national team's most recent match at the Gewiss Stadium was a 1–1 draw with the Netherlands in the UEFA Nations League on 14 October 2024.<sup>[36]</sup> Prior to this, Italy had not played an international match in Bergamo since 2006;<sup>[37]</sup> renovations to the stadium in 2024–2024 brought it up to UEFA standards.<sup>[32]</sup> This match was played in Bergamo as a homage to the city, as it was an early epicenter during the COVID-19 pandemic in Italy.<sup>[36]</sup><sup>[37]</sup>

List of international matches [ edit ]

Awards [ edit ]

The Gewiss Stadium received the Most Valuable Field award during the Serie A Awards in 2024.<sup>[39]</sup>

Notes [ edit ]

^ The club's home attendance record was later broken in 2024, though that match was not played in Bergamo. ^ <sup>[19]</sup> The other three are Juventus, Sassuolo, and Udinese. All the remaining Serie A clubs play in municipally-owned stadiums.

Os militares israelenses amarraram um palestino ferido ao capô de veículo militar durante uma operação no sábado na Cisjordânia ocupada.

O vídeo mostra o homem deitado na frente do jipe israelense enquanto passava por um bairro de Jenin. O cara apareceu caído no capô da viatura, pois passou pelas ambulâncias palestina (PRCS).

O Exército israelense impediu que suas tripulações fornecessem primeiros socorros a um homem ferido na área de Jabarat, novibet marketing Jenin.

"Eles então colocaram a pessoa ferida na frente de um jipe militar e o prenderam antes que mais tarde permitissem nossas equipes transferi-lo para os hospitais", disse.

A condição e identidade do homem são desconhecidas.

Em resposta a perguntas sobre o incidente, as Forças de Defesa Israelenses (IDF) disseram no sábado que suas forças violaram "ordens e procedimentos operacionais padrão" para iniciar uma investigação.

"A conduta das forças no vídeo do incidente não está em conformidade com os valores da IDF. O acidente será investigado e tratado de acordo", disse a entidade, segundo o comunicado divulgado pela agência estatal iraniana (IDD).

O IDF disse que o incidente aconteceu na manhã de sábado durante operações antiterrorismo para prender suspeitos novibet marketing Wadi Burqin, a oeste da área Jenin. Ele afirmou ser um suspeito ferido e preso após uma troca de fogo

Ele foi transferido para o Crescente Vermelho, onde recebeu tratamento médico.

Houve um aumento na violência no ocupado Cisjordânia desde o início da guerra de Israel contra Hamas novibet marketing Gaza começou, após os ataques sem precedentes e mortais do grupo militante a Jerusalém.

Mais de 500 palestinos, incluindo mais 100 crianças foram mortos na Cisjordânia desde 7 outubro.

Quase três quartos dessas mortes ocorreram durante as operações das forças israelenses, disse

a agência da ONU.

Além dos ataques militares israelenses na Cisjordânia, houve um aumento da violência realizada por colonos israelitas contra os palestinos.

Mais de 700.000 colonos judeus vivem na Cisjordânia e Jerusalém Oriental novibet marketing assentamentos que são considerados ilegais sob o direito internacional, amplamente vistos como um dos principais obstáculos para uma solução com dois Estados [6]

Na sexta-feira passada, o governo Biden impôs sanções ao grupo israelense Tzav 9 por interromper comboios humanitários que se dirigiam a Gaza – medida punitiva mais recente tomada sob uma ordem executiva visando aqueles perpetradores de violência na Cisjordânia.
