The objective of the Gold Vault Roulette is to predict the number on which the ball will land by placing one or more bets that cover that particular number. Every spin will reveal between five and twenty Gold Bars, each acting as a 50x multiplier.

Roulette Basics

Roulette is an intriguing game that is played throughout the world. The large payoffs that are possible for small wagers stimulate the interest of the expert as well as the novice player, playing Roulette in Vegas.

The rules of Roulette - different players use different colored chips so the bets are not confused. The value of your chips is determined by the price you pay for them. When you're done playing make certain to redeem your chips at the same table you were playing at. Once you leave that table no one will know the value of your chips.

Each spin of the wheel provides a multitude of options for the player. A player may bet on single numbers, rows of numbers, or on adjacent numbers. A player also may play colors, odd or even numbers, among others. A bet on a single number pays 35 to 1, including the 0 and 00. Bets on red or black, odd or even pay 1 for 1, or even money.

We're proud to offer Roulette in three variations. In addition to our popular American-style Roulette game with 36 numbered slots, a 0 and a 00, we also offer our European Roulette, which has a single 0 along with the standard 36 numbers, and is a favorite among our international customers. We also offer an exciting new version, where an additional betting option is added.

The diagram indicates the Roulette rules payout for single chip bets and the many combinations available to you. The dealer will be happy to explain any of them. The exact placement of the chips determine the bet being made. Each player is responsible for the correct positioning of their wager on the layout regardless of whether the bet is placed by the dealer.

Martingale is definitely one of the most widely known and most successful roulette strategies (for some it is the best roulette strategy), and it is very simple to apply. It can be used only for outside bets, those that provide almost 50% chance of winning, and excluding the 0.

What Einstein actually meant was that there is no mathematical trick that can help you win at roulette. Each spin is an independent trial and, in the long run, the casino will win. This is different to a game such as Blackjack where the probabilities change as cards are dealt.

## Naomi Klein critica el zionismo como un falso ídolo en el Seder en la calle

Naomi Klein, columnista de The Guardian y profesora de justicia climática en la Universidad de Columbia Británica, criticó enérgicamente el zionismo como un falso ídolo en un discurso pronunciado en el "Seder en la calle" en Nueva York.

Klein comparó el zionismo con el becerro de oro en la historia bíblica de Moisés y el Monte Sinaí, argumentando que el zionismo ha traicionado los valores judíos y ha llevado a los judíos a cometer actos inmorales.

### La verdadera liberación

Klein pidió a la audiencia que rechace el zionismo y abrace una forma de liberación que se base en la solidaridad y la ayuda mutua, en lugar de en la violencia y la discriminación.

"Nuestra Judaísmo no puede estar contenido por un estado etno-nacional, porque nuestra Judaísmo es internacionalista por naturaleza", dijo Klein. "Nuestra Judaísmo no puede ser protegido por el ejército rabioso de ese estado, porque todo lo que hace es sembrar dolor y cosechar odio - incluyendo contra nosotros como judíos".

### Rechazar el falso ídolo

Klein instó a la audiencia a rechazar el zionismo y a buscar una forma de liberación que se base en la solidaridad y la ayuda mutua, en lugar de en la violencia y la discriminación.

"No necesitamos ni queremos el falso ídolo del zionismo", dijo Klein. "Queremos libertad de un proyecto que comete genocidio en nuestro nombre. Libertad de una ideología que no tiene planes de paz más que acuerdos con teocracias petroleras vecinas, mientras vende tecnologías de asesinatos robotizados al mundo".
