contente:

All the usual online casino roulette bets are in play. You can bet the 50/50 bets, the thirds, and the various options on board: split, single, corners. Click the icon above the table and the screen flips to reveal the classic French roulette bets: orphelin, tiers, and voisin du zero.

### DRAGON JACKPOT AND BONUS FEATURES – DAENERYS TARGARYEN APPROVED

The first addition is the Dragon Jackpot icon at the head of the roulette table. Activate this and you pay an extra 1% on your total bet to play for four individual Dragon Jackpots. The Dragon Jackpots are awarded at random to anyone playing the game for real money. The screen cuts away and you must spin a wheel to collect colours related to each of the jackpots. Once you have a set, that jackpot is yours. Everyone who enters the game will win a jackpot.

The next upgrade is the Dragon Bonus. You can cover up to 12 spots on the roulette board with the Dragon Bonus icon. You must already have chips in play on the same spot. Now – if you get lucky – you get the chance to max out your win. You must spin a wheel. The first spin gives you three options: 2x, 3x, and spin. The first two simply multiply your bet. The spin option takes you to the second wheel where the multiplier goes up to 20x, with a chance of three repeats.
