Focus on the Berryburst Slot

Berryburst™ slot is a 5-reel, 3-row game packed with sweet features including Wild substitutions, Expanding Wilds and Respins. In addition to the great features, the Cluster Pays™ mechanic adds a great dynamic fun-factor to the reels. Collect as many fruit symbols as you can for max winnings.

Feeling thirsty yet? Give this game a go; it's a summer cocktail of supreme slots sweetness. Go ahead and spin the sparkling reels of Berryburst™!

How to Play Berryburst

We've used the Cluster Pays format to help create a unique feel to Berryburst and make the game more exciting. There are no paylines here. Instead, you just need to land a group of five or more symbols together to win.

Before you start, choose your stake from the betting options provided. You can choose a bet between 0.10 and 200. Plenty of variety in how much you can bet, no matter what kind of player you are.

Once you begin playing, you'll be looking to match combinations of the various fruit symbols available. There are seven different paying symbols in total, including four high paying fruit and four playing card symbols. Our highest paying Berryburst symbol is the delicious raspberry which will payout up to 500x your stake.

Features and Berryburst Bonus

The fun doesn't stop there though. We've included plenty of interesting features to help make the game more exciting.

Cluster Pays

Rather than simply paylines, Berryburst slot pays out for clusters of symbols anywhere across the reels. Provided you have a group of five or more symbols, you'll land a win. The more symbols in your cluster, the bigger your win!

Wilds

The first of these features is the wild symbol. These will substitute for any other symbol in the

game, helping you to form winning combinations across the reels. The wild shows up as an ice cube but rather than cooling you down, things start heating up when they appear.

Wild Respins

Once a wild lands on the reels, it will expand to fill the reel, boosting your winning chances. The expanded wild will then stick to the reels, and the reels will spin again. Respins continue provided that one or more wilds land on the respin. This keeps going until no new wilds show up.

Potentially, you could cover the whole five reels with wilds from this feature, giving this slot massive winning potential.

There are no free spins in Berryburst slot, but we think the other bonus features more than make up for it. During the wild respins, you can potentially win huge prizes as the reels fill up with loads of expanded wilds. If you loved Berryburst, why not take a look at some of our other popular video slots? We have a huge collection of some of the best slots that you're bound to enjoy!
