He cluckedat various ways of logginggin, changed his password several times and even tried to create a virtual machine.. Despite this, he met a group ofpeople he met in thechateven dare came up with a program called Clone Me Blaze. One of them even offereda share of the profit., e started investing money in that too. Evaristo says that despite Clone Me Blaze showing promising results, doubt began t circulate when people realized some features did not belong on a gaming platform. Caio kept on investing and found himself barely sleeping threehours, but found it diffcult to get rid of a headace.

insights Caio knew thepower of Blaze's platform and understooodthasta basta add minutes could change someone's day, but he realized that he had to investin himsolfbecause, as a gamer said, my skills could give others a salary forecoupleof years. He began to doubt ifhe was lazy, or perhaps unwilling, to learn technology. What did he have to loose.! At work, he would get notifications for emails about staff meetingsor reports, or rejections after an interview and never open them. Life was passing him by while others were investing in themselves and learning new things, getting ready for a possible job change. If they failed, it should bethat theyhad already learnt of the new technologies, not because he was embarrassed or afraid, his friend invited him to join Blaze a year ago . Cia felt ashamed his friend had to go thorough allthe stress and responsibility of starting afresh in an unknownworld, worst still he had made nothing easier for her. Now was the age Where the World was about to change itself form a tiny town ta skyscrspapers!
