Obviously, Jared Padalecki is Sam Winchester, the youngest of the two Winchester boys. He is one of only two actors to appear in every episode of the show. In those 327 episodes, Padalecki got to play a few different characters. Most notably, he got to portray Lucifer when he first possessed Sam in season five.

## Todo los ojos en Rafah: el origen y la significación de la imagen viral

No está claro exactamente qué representa la imagen. Una serie de tiendas de campaña? Camas de camiones contra un fondo naranja oxidado? Rectángulos de colores variados?

Se ven montañas en el fondo, y en primer plano están las siguientes palabras: "Todos los ojos en Rafah" - una referencia a la ciudad más meridional de Gaza que se convirtió en el centro de la cobertura de guerra esta semana, después de un ataque israelí a un campo de refugiados en la ciudad, en lo que se había etiquetado como una zona segura, que mató a docenas de palestinos desplazados previamente.

En el contexto del ataque, la imagen mencionada ha aparecido en todas partes. Probablemente creada usando inteligencia artificial, el gráfico - que no es una imagen real de Rafah o la guerra en Gaza - ha sido compartido más de 46 millones de veces en Instagram solo.

Se ha vuelto tan omnipresente que el comediante Tim Dillon lo ha notado que se ha compartido como "un nuevo programa de NBC".

Pero la popularidad de la imagen ha planteado preguntas y críticas sobre la pasividad del acto.

Tener los ojos en Rafah no ha detenido la violencia, escribió la científica Ayesha Khan en Instagram. Compartir un gráfico ambiguo es performativo, Khan y otros han notado.

Sin embargo, el ímpetu de la publicación ha continuado. Aquí es de dónde proviene la frase, dónde se originó el gráfico y lo que podría significar.

La frase "Todos los ojos en Rafah" ha aparecido en diversos gráficos e imágenes asociados con la guerra en Gaza durante meses y no necesariamente está vinculada a esta imagen viral específica.

Probablemente se originó a partir de comentarios hechos en febrero por Rik Peeperkorn, quien lidera la oficina de la Organización Mundial de la Salud en el Banco Occidental y en Gaza.

En ese momento, más de 1,5 millones de refugiados palestinos, muchos de los cuales habían estado huyendo del norte y las partes centrales de Gaza, se agolpaban en la ciudad más meridional de Rafah, que también estaba experimentando una ola de ataques aéreos israelíes - intentos de "golpear a los terroristas de Hamas en la zona", dijo un portavoz del ejército israelí.

"Todos los ojos" estaban en Rafah, dijo Peeperkorn, una frase que luego se hizo ampliamente utilizada por activistas y se incorporó a los gráficos, como el que actualmente está volviendo viral. Instagram acredita al usuario shahv4012 como el creador detrás de la plantilla de la historia, que
