Zeus is a classic, but modern slot machine game that is one of the most famous in Las Vegas casinos. It was one of the first in WMS Gaming's G+ range of slots that have transformed the fruit

machine games found there. Despite the age of this game, it remains a classic and one of the most loved slots in the world.

After an admirable career as the CEO of Olympus and the god of sky and thunders, Zeus shows no signs of slowing down. This silver fox is stronger than ever and has just been immortalised with its very own slot launched by WMS. Being the youngest child of Cronus and Rhea, Zeus had to work extra hard to prove himself, since we all know how parents like to compare and set our older siblings as an example.

Although married to a beautiful and powerful Hera who just so happened to be his sister as well, Zeus was far from being a loyal husband and was willing to go that extra mile if he fancied someone. Rub him the wrong way, and he was willing to go even further than that... Naturally, Zeus is the center of attention in WMS's 5-reel and 30-payline slot, while other symbols include Pegasus, Greek Temple, Zeus's hand holding the lightning, Boat, Helmet, Harp, Vase, Golden Coin, Silver Coin, and Wreath.

The lines are adjustable and the slot can be played on a single payline with just a R\$0.01 per spin or on all 30 lines with the total bet of R\$150 - wagering R\$5 per line. It goes without saying that the winning potential is much more appealing with higher bets and pressing the bets on all 30 lines can potentially generate 2,500 coins for a combination of 5 Zeus icons in the base game. The return to player percentage is slightly under 96%, which is not ideal.

The Auto Play feature is just next to the tab which displays the active number of lines - clicking on it will start the auto mode which can be stopped in the same way, using the very same button. Just underneath the main menu icon, the players will notice two more commands which can open a classic or the quick bet game panel, enabling the players to facilitate the betting process by selecting the pre-set betting amounts, instead of adjusting them manually.
