Friday Night Funkin' is a

music and rhythm game in which you will have to participate in battles against your girlfriend's father who is a seasoned musician. To win the heart of your sweetheart and get his father's agreement you will have to beat him in rhythm competitions and prove that you are a better singer than him. Press the arrows at the right time to produce the right sound and keep the rhythm throughout the songs and miss as few notes as possible. Friday Night Funkin' features a story mode in which you will have to win rap battles against many different opponents over the course of 7 weeks. Sing against Daddy Dearest, Skid and Pump, Pico and many more and try to beat them all without losing the beat! The story mode offers three levels of difficulty, the hard mode is extremely difficult and will require perfect coordination. To practice, you can play freeplay mode which will allow you to work on each song individually.

You can play Friday Night

Funkin unblocked and its most popular mods for free online. On computer at home, on chromebook or at school, you can practice your rythm and skills anywhere!

Originally offering a tutorial, 2 weeks and 6 songs, the rhythm game in which we play as boyfriend was a huge success and its content has been expanded with 5 other weeks, 15 songs and many characters.
